for the Federal Circuit**

MICHAEL W. BLASHFORD,
Claimant-Appellant,

v.

ERIC K. SHINSEKI, Secretary of Veterans Affairs,
Respondent-Appellee.

2013-7094

Appeal from the United States Court of Appeals for
Veterans Claims in No. 11-0575, Chief Judge Bruce E.
Kasold.

O R D E R

Michael W. Blashford moves to reinstate his appeal
dismissed on October 17, 2013, for failure to prosecute.

On August 28, 2013, the court issued an order direct-
ing Blashford to submit his informal brief within 21 days
from the date of that order. Blashford states that he
never received that order.

Upon consideration thereof,

IT IS ORDERED THAT:

(1) The motion is granted. The court's October 17, 2013 dismissal order is vacated, the mandate is recalled, and the appeal is reinstated.

(2) Blashford's informal brief is due no later than 21 days from the date of this order.
