Appeal from the United States District Court for the Eastern District of Michigan in consolidated case nos. 08-CV-11048 and 10-CV-10647, Judge Robert H. Cleland.

ON MOTION

Before RADER, *Chief Judge*, and GAJARSA and REYNA, *Circuit Judges*.

REYNA, *Circuit Judge*.

ORDER

Automotive Technologies International, Inc. ("ATI"), moves without opposition to remand this appeal to the United States District Court for the Eastern District of Michigan, so that that court may consider an unopposed motion to vacate a portion of a summary judgment, due to settlement.

Previously, this court dismissed this appeal because ATI failed to file its initial brief. Subsequently, we granted ATI's unopposed motion to reinstate the appeal so that ATI could file its motion to remand, on the condition that ATI filed a motion to remand.

Accordingly,

IT IS ORDERED THAT:

(1) The mandate is recalled, the court's dismissal order is vacated, and the appeal is reinstated.

(2) The motion to remand is granted.
