Appeals from the United States District Court for the
Central District of California in case no. 10-CV-7287,
Senior Judge Mariana R. Pfaelzer.

ON MOTION

O R D E R

This court construes the letter from counsel for plaintiffs and third-party defendants dated January 17, 2012, as a motion to reform the caption. We also consider whether a special briefing schedule should issue.

The appellants and appellees are represented by the same firm. The appellees (who state that they are in opposition to the cross-appellant only) should file a combined responsive brief with the appellants that responds to the cross-appellant's opening brief.

Upon consideration thereof,

IT IS ORDERED THAT:

(1) The motion is granted. The revised official caption is reflected above.

(2) The appellants and appellees must file a combined response brief in response to the cross-appellant's opening brief. That combined response brief is due within 40 days of service of the cross-appellant's opening brief and may not exceed 14,000 words.
