

NOTE: This order is nonprecedential.

**United States Court of Appeals
for the Federal Circuit**

MOMENTA PHARMACEUTICALS, INC.,
Plaintiff-Appellant,

AND

SANDOZ INC.,
Plaintiff-Appellant,

v.

TEVA PHARMACEUTICALS USA, INC.,
Defendant-Appellee.

2013-1580

Appeal from the United States District Court for the
District of Massachusetts in No. 10-CV-12079, Judge
Nathaniel M. Gorton.

ON MOTION

Before NEWMAN, PROST, and REYNA, *Circuit Judges.*

REYNA, *Circuit Judge.*

MOMENTA PHARMACEUTICALS v. TEVA PHARMACEUTICAL 2

O R D E R

Momenta Pharmaceuticals, Inc. and Sandoz Inc. (collectively “Momenta”) move without opposition to stay proceedings pending the district court’s entry of final judgment. We, however, consider whether the appeal must be dismissed for lack of jurisdiction.

As Momenta itself concedes, its appeal is premature because no final judgment has issued. Pursuant to *Pause Technology LLC v. TiVo Inc.*, 401 F.3d 1290, 1295 (Fed. Cir. 2005), this appeal is dismissed for lack of jurisdiction, subject to reinstatement under the same docket number without the payment of an additional filing fee if, within 60 days of the date of this order, the district court enters a final judgment and, within 30 days of entry of judgment, Momenta files another notice of appeal.

Accordingly,

IT IS ORDERED THAT:

(1) The appeal is dismissed for lack of jurisdiction, subject to reinstatement under the same docket number without the payment of an additional filing fee if, within 60 days of the date of this order, the district court enters final judgment and within 30 days of entry of judgment Momenta files another notice of appeal.

(2) All pending motions are denied as moot.

(3) Each side shall bear its own costs.

FOR THE COURT
