SUA SPONTE

Before TARANTO, CHEN, and HUGHES, *Circuit Judges*.

PER CURIAM.

ORDER

The present case was stayed in light of the Final Writ-
ten Decision of the Patent Trial and Appeal Board in

Shenzhen Apaltek Co., Ltd. v. Asetek Danmark A/S, No. IPR2022-01318, 2024 WL 233409 (P.T.A.B. Jan. 22, 2024), which held unpatentable all claims of U.S. Patent No. 10,078,355 that were at issue in this case. Asetek expressed an intent not to appeal, and no appeal was in fact taken of, that final written decision during the now-expired period for appeal. We consequently hereby lift the stay of this case and dismiss the present appeal as moot.
