Re: In re Complaint No. 23-90015 (Complaint Against Circuit Judge Pauline Newman)

Dear Chief Circuit Judge Moore:

I write to remind you of, and if necessary, renew Judge Newman's request, made pursuant to Rule 23(b)(7) of Rules for Judicial-Conduct and Judicial-Disability Proceedings, to publicly release of the Special Committee's Show Cause Order of May 29, 2024, my Motion to Reschedule Oral Argument dated the same day, and the Special Committee's Order of May 31, 2024, granting the aforementioned motion.

This request was previously made on May 29, 2024, *see* Mot. to Reschedule at 1, ¶4, but received no response. As stated previously, Judge Newman believes "sunlight is the best disinfectant," Louis D. Brandeis, *Other People's Money and How the Bankers Use It* 92 (1914), and accordingly wishes to have all actions taken against her made public to the maximum extent possible.

I appreciate your expeditious consideration of this renewed request.

Sincerely,
/s/ Gregory Dolin, M.D.
Senior Litigation Counsel
